

Dear Friends,

REACH Conference begins TONIGHT at 8:00PM. Our Local and Global Missions team have worked hard to put together an incredible conference that will introduce us to, and compel us to live missional lives. You will hear from dynamic speakers as well as hear opportunities both here and abroad to get involved. See you tonight!

We are working on making our podcasts available online for subscribers, but if you are interested in hearing podcasts from the past week, check out this link: <https://www.dropbox.com/sh/9tiq3ql60rk19yc/zV3WylGCEj?n=41450137>

### **Offering**

Last week alone we brought in \$987 bringing our new semester total to \$2041!! I believe that we can blow this \$10,000 goal out of the water with only \$7959 left to raise this semester.

### **Elevation Church Bikes**

I love seeing that students are getting great use out of the bikes donated by Elevation Church. If you borrow a bike, please remember to return it to the Campus Ministries office so that someone else can borrow it. Also, helmets are available in the grey bin beside the rack.

Have a great week!
