

Dear Friends,

Last week in Chapel we had the opportunity to hear some timely and anointed messages! If you missed a service or would like to hear a message again, the podcasts are posted here <http://www.northwestu.edu/numa/chapel/>. If the Lord did something in you last week and you would like to share about it, feel free to respond to this email with a brief testimony so that I can include it in future "Look Ahead" emails.

This Week in Chapel
