THE ENSEMBLE

The Maranatha Sounds are young people with spirit! They hope that you will catch the spirit they possess. It is the same spirit that permeates Northwest College. The Spirit of Jesus Christ!

They have come together to express their relationship to Jesus Christ through the avenue of Christian music.

Maranatha! — "The Lord is at Hand!" This seems to be the message of the hour. Jesus is not only about to return for His ransomed church, He is also at hand to heal hurts, to turn lives around, to establish hope and peace within all who turn to Him.

THE DIRECTOR

Dr. Calvin L. White is a full-time member of the music faculty at Northwest College. He holds a B.A. degree in Sacred Music from Central Bible College, where he was elected to Who's Who Among Students in American Universities and Colleges. He has studied at the University of Louisville, and holds the M.A.T. degree in Music Theory and a Ph.D. in Systematic Musicology from the University of Washington.

Dr. White has had a major hand in the development of the B.A. in sacred music degree at Northwest. The program is designed to train music leaders desiring to fulfill God's calling as ministers of music, choir directors, and church musicians.

Dr. White can offer expertise from his practical experience. He has served as minister of music in Louisville, Kentucky, and Washington D.C. as well as several congregations in Washington.

Several of his compositions and arrangements for choir have been published.

THE COLLEGE

Northwest College begins with the Bible. We approach each subject from the premise that God created the world and His truth for us is in His Word. We are committed to train young people for everyday life and Christian ministry.

The College is situated on a beautiful fifty-five acre campus overlooking Lake Washington and the Olympic mountain range.

The school is designed to provide an in-depth foundation for full gospel ministry and at the same time create an atmosphere where Jesus Christ is the model for individual experience in Christian living.

Northwest College also offers a junior college program. This includes broad liberal arts subjects in science, communications, mathematics, music, counseling, social studies, psychology, humanities, and computer science. Pre-education and pre-nursing are also available.

Northwest College is fully accredited in both its Bible college and junior college divisions.

Anyone desiring further information about Northwest College may write the P.R. Department, Northwest College, P.O. Box 579, Kirkland, Washington, 98033.
