The spring concerts are the third of three major concerts held at Northwest College.

The Northwest College Music Department, a Division of Humanities, offers four different degree programs (B.A. and B.F.A.) in which students may specialize in music, music education, music industry, or music ministry. Students may also choose to minor in music. The department has 43 music majors, four full-time professors and nine adjunct professors.

The music education program is certified through the State of Washington.

Performance groups include the Concert Choir, Northwest Choralons, Vocal Jazz Ensemble, Instrumental Jazz Ensemble, and Wind Ensemble. Auditions for the vocal groups are held the first week of classes and membership in any of these groups is open to all students, regardless of major. All groups perform in one major concert a term and at various churches, organizations, and chapels throughout the year.

Auditions for music scholarships are held once a month during Northwest Fridays or can be scheduled through the department. If you desire any more information about the Northwest College Music Department, please contact Kara Meissner, the music department secretary at 425-889-5255 or [kara.meissner@ncag.edu](mailto:kara.meissner@ncag.edu).

The mission of Northwest College is to provide, in a distinctly evangelical Christian environment, a quality education that will prepare students for service and leadership.

This college experience should: develop the whole person through general studies integrated with biblical knowledge; develop professional and vocational skills in the student's preparation for service in the world; and help to fulfill the Great Commission and to propagate the historical faith of the sponsoring church.

Since 1934, Northwest College has successfully prepared students for service and leadership in Kirkland, Washington. Over 1,110 students choose from more than 50 academic programs including-but not limited to-ministry, business, nursing, and education. Students are offered creative challenges involving debate, drama, music, ministry, and sports.

The college is accredited by the Northwest Association of Schools and Colleges and is a member of the Council of Christian Colleges and universities.

We ask that you turn off all cell phones, pagers, and beepers during the concert.

Thank you for coming and we hope you enjoy the concert!
