

Since 1934, Northwest College has challenged and equipped students to Carry the Call. With their hearts, to develop compassion and character. With their heads, to discover the joy of rigorous

study and mental discipline. And with their hands,

to engage the world around them with the Gospel of Jesus Christ.

You can help!

Our expanding enrollment requires new faculty, classes, buildings... and student scholarships. Your support can help ensure a new generation will be prepared to Carry the Call!

Northwest COLLEGE

ARE YOU ASKING YOURSELF: “What should I do?”

What is an appropriate level of giving? What is an appropriate level of sacrifice? The answer is different for each individual, but here is a way to think about it.

Consider the difficult days of World War II. The U. S. was fighting across the globe, and resources were scarce.

Not everyone could be a soldier, or a sailor, fighting on the front lines.

But everyone could help, by conserving their use of precious resources.

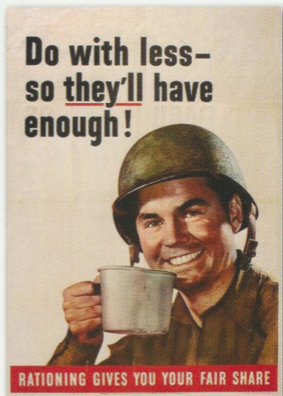

Nobody went without, but everybody cut back.

Aren't we also at war today? Aren't we in a spiritual war for the souls of men and women around the world?

At Northwest College, we are preparing the warriors – the missionaries, pastors, nurses, teachers, leaders and evangelists of the future.

You can help, from behind the lines. As you share from the blessings God has given you, you help make it possible to train the troops that will go to the front lines.

What should you do? We can't tell you. But please remember this: We are at war.

Yes! I will help!
