PART II.

The Miracles of God

"IT TOOK A MIRACLE" *John W. Peterson*

* Adapted and arranged by D. Amundsen

Miracle of the Universe—

From the beginning of time God has proven His great Omnipotence by controlling all of His creation.—the earth, the sun, the moon, planets, and the millions of stars which He knows by name and number.

Miracle of Man—

The crowning glory of His creation came when He created man, breathed into him the breath of life, and man became a living soul.

Miracle of Salvation—

All the miracles of God are wonderful to consider, for they declare His power, His majesty, and His glory, but “when He saved my soul, cleansed and made me whole, it took a miracle of love and grace.”

Pianist: Sharon Wagner

Narrator: Paul Landry

Soloists: Gary Bunning, Ron Schaler, Mike Hanford, Merle Trostad, and
Bill Morton

Saxophonist: Dan Cook

PART III.

The Relevancy of God

** “GOD IS ALIVE” . . . *Adapted and arranged, D. Amundsen*

In some circles, it is still rumored that “God is dead.” This philosophy is demonstrated in a portrayal by one of the members and convincingly contested by the rest of the group through the validity of Scripture and the reality of experience.

Pianist: Sharon Wagner

Speaking Parts: Paul Landry, Gary Bunning, Terry Peretti, and Steve Long.

Solo Parts: Paul Landry, Gary Bunning, Susan Brown, Wendell Kruger, Merle Trostad, Lindy Benjamin, and Ron Schaler

Trios: Trebleheirs and Carillons
