Spiritual Life

A high tide of spirituality is maintained throughout the Institute, and the life of the school has been marked by many outpourings of the Spirit of God. The first period of each morning is devoted to prayer, and at noon a chapel service is conducted by the students. A part of each Friday afternoon is devoted to prayer for the mission fields by the various Missionary Bands. Correspondence is carried on with the missionaries on the field and special requests are thus brought before the prayer bands.

☆ All classes in the school are opened with prayer, and in many instances the power of God is so manifested that it is impossible to conduct classes, and the entire period is devoted to praise and worship. Glorious spiritual victories are won during these seasons of devotion.

PURPOSE . . .

Development of genuine Christian character and preparation for Christian service, by the promotion of a more thorough knowledge of God's Word. For those who have been called of God to enter the active ministry, and for others who feel their need of Bible knowledge and instruction, the Institute provides a practical course of instruction and training of ministers, missionaries, and Christian Workers, in an atmosphere conducive to the study and meditation upon God's Word.

The Northwest Bible Institute embraces as its teaching the fundamental doctrines of the Bible as outlined by the General Council of the Assemblies of God.

HISTORY . . .

Realizing the great need of training Christian young men and women so vitally needed in the service of the Lord, the Northwest Bible Institute was opened on October 1, 1934, as an official institution of the Northwest District Council of the Assemblies of God. The enrollment of the school has increased yearly, with a total of over 300 students this past year. Each year has been marked with continued spirituality, and God has marvelously blessed the study of His Word. To the first graduating class, the PIONEERS, have been added in successive years, the CONQUERORS, the LIFESAVERS, the TORCHBEARERS, the BUILDERS, the MESSENGERS, the CHALLENGERS, and the REAPERS.

LOCATION . . .

The Northwest Bible Institute is located near beautiful Green Lake in the residential north side of Seattle. The quiet atmosphere and pleasant surroundings make it ideal from both the spiritual and natural standpoint. Seattle's many parks, museums, and scenic centers offer varied opportunities for wholesome recreation. Nearby shopping districts and its proximity to transit systems provide excellent positions in many fields of labor.

Seattle is a city of unusual beauty, covering seven hills overlooking three large lakes. Here are some interesting facts that make Seattle an ideal place to visit and a still more wonderful place in which to live: Altitude—Sea level to an elevation of 450 feet. Health—One of America's healthiest cities; birth rate averages 17.65 per thousand population; death rate 9.75 per thousand people annually for the past fifteen years. Climate—It has a climate which is as near ideal as can be found anywhere. The average winter temperature is 41 degrees above zero, and the average summer temperature is 62 degrees. Rainfall—Seattle's average annual rainfall is 33 inches, which is less than that of Cleveland, St. Louis, Kansas City, Cincinnati, Philadelphia, Indianapolis, Boston, Washington, D. C., New York City, Little Rock, Ark., Atlanta and New Orleans. Population—The city's cosmopolitan area of 53.7 square miles embraces a population of 508,700. Seattle is the largest city of its age in the world.

General Information

SCHOOL FEES

Cost of the regular course per year, including notes, books, registration, tuition, library fee, and personal service is \$65.00. (This does not include board, room and laundry). Of this amount, \$35.00 must be paid when the student enters school.

Tuition rate for special students is \$10.00 per month, which must be paid in advance, or \$75.00 for the entire year.

REQUIREMENTS FOR ADMITTANCE

Requirements for admittance to the NORTHWEST INSTITUTE are as follows: a vital experience of Salvation; sound bodily health; age 18 years or older; assurance of compliance in full with all the rules and customs of the Institution. Every question on the application blank MUST be answered.

Applicant MUST WAIT FOR NOTICE that references have replied and that application has been approved by the faculty.

EXAMINATIONS, REPORT CARDS, CERTIFICATE, DIPLOMAS

Examinations are given from time to time during the school year and are compulsory for all regular students.

A careful record is kept of the subjects and scholastic marks of each student. Report cards are issued to students at the end of each term.

Certificates of promotion are given at the close of each year to students who have completed the year's work.

HOUSING ACCOMMODATIONS

The institute owns three large houses which have been converted into men's and women's dormitories. These are conducted on a co-operative basis.

In view of the moderate charge for board and room, each student living in the dormitory is required to contribute a portion of time each day as his share towards maintenance. This arrangement provides splendid practical experience for the students.

EMPLOYMENT

The Institute assists in finding part-time employment in private homes for the young women students desiring such work, where they are given board and room, and compensation. In this way, many are able to work their way through school.

Because the NORTHWEST BIBLE INSTITUTE is an institution of learning duly recognized by the Department of Labor at Washington, D. C., foreign students may obtain a students' "visa" and are permitted to take employment.

The Dean of Women in the Institute renders every reasonable service in assisting the students in securing employment.

Men students are able to obtain most any type of part-time employment.

MRS. GILES, Dean of Women

GOVERNMENT RECOGNITION

The Northwest Bible Institute is also duly recognized by the headquarters of the Selective Service System, Washington, D. C. Students duly enrolled with this Institute for the purpose of training for the ministry are granted 4-D classification from their draft board.

Courses

- ACTS . . . A detailed study of the book of Acts, dealing with the history of the early Christian Church, and its origin and activity in spreading the Gospel. —Rev. E. V. Bronson.
- BIBLE ATLAS . . . A study of Biblical geography including the drawing of corresponding maps. —Rev. E. V. Bronson.
- CHILD EVANGELISM . . . A study of methods of teaching the child and how to present to them the Gospel. —Mrs. R. A. Busby.

REV. GRAY

Rev. Frank Gray is the Chairman of the Board of Directors of the Northwest Bible Institute. Rev. Gray has at heart the spiritual welfare of young men and women, and especially those who feel a definite call to the ministry.

☆ Rev. Gray stands ever ready to help those who are contemplating entering the ministry not only while attending the institute, but also after they have entered the ministry and are on the field.

"Knowledge shall be increased." This sign of the times is fulfilled around us today in the natural, unregenerate world from which we seek to win converts. We are understanding, "but in understanding be men."

☆ How can we better obey this command and be better equipped to work among an educated public than by going aside to study God's word and giving ourselves unreservedly for a number of years to improving our own knowledge and understanding?

☆ To this end our Bible Institutes have been established and are functioning. They offer prospective Christian workers complete training and thorough preparation for effective Christian work. We advise and urge our consecrated young people to take advantage of these schools which have been provided for them.

REV. RIGGS

RALPH M. RIGGS,

Assistant General Superintendent, General Council of the Assemblies of God.

REV. PERKIN

The outstanding need in every country as far as gospel work is concerned is for young men and women taught in the Scriptures and filled with the Spirit to proclaim the Word to their own nation. It is to this end that one of the first things our missionaries seek to establish is some form of Bible school in the respective countries.

☆ A Bible school graduate thus has an excellent background for helping to train others, and such instruction as is received in a Bible School course is practically essential for missionary work.

NOEL PERKIN,

Missionary Secretary of the General Council of the Assemblies of God.

Radio Ministry

... On November 17, 1939, the Northwest Bible Institute Hour was inaugurated over KJR, the most powerful radio station in the Pacific Northwest. On Sunday evenings of the school year, the choir and other musical combinations of the Institute gather in the studio, and there, under the direction of the Principal, the Gospel message goes forth over the ether waves.

This broadcast is undoubtedly the Institute's most far-reaching activity. Letters of appreciation have been received from such points as Minnesota, Kansas, North Dakota, South Dakota, Idaho, Oregon, Montana, Northern Canada, Alaska and California.
