Dear Governor:

Some time has elapsed and many things have happened since we enjoyed the fellowship of the governors' conferences in Ohio and Michigan. I sincerely hope that it may be my privilege on some future occasion to hear you discuss conclusions and observations based upon your experiences.

This letter will serve to introduce a distinguished Christian leader of the state of Washington and a very good friend of mine. He is Dr. Henry H. Ness who is traveling in various parts of Europe with the objective in mind of strengthening Christian ideals and implementing those ideals with organized action in the interest of a better understanding among the peoples of the world.

I have asked that Dr. Ness call on you if he has the opportunity, and feel sure that you will advise him in any way that may be helpful.

Sincerely yours,
